This week's News:

2020 SUMMER REMIX EDITION

- **New Animal Highlight: HAMILTON** is our newest addition to the High Meadows Barnyard! He is an approximately two-year old pot-bellied pig. He was adopted from the animal rescue organization Save the Horses after having been found wandering by Animal Control. He was most likely someone's pet, but no one came forward to claim him. He lives in the goat/ sheep paddock during the day and beds down in a stall in the barn in the afternoon. He is harness trained, knows the sit, spin, tunnel commands, and paints! Your campers may have gotten to see him paint and even challenged him to a race.

-This week, our Red Hungry Dogs had a blast at camp! We went to the pool daily, cooled off on the water slide on Thursday, painted with a horse, rode ponies, made oobleck, and even learned how to shoot at Archery!

~ ORANGE GROUP: Travis

-This week, our Mega Orange Pandas had lots of fun getting to know each other and exploring the campus! We swam every day, witnessed a pig race, rode ponies, built forts, went to the mud pit, and played Gaga. Everyone had lots of fun!

~ YELLOW GROUP: Jennifer

-The Yellow Jackets had a fun-filled week! We designed and put together woodworking projects and made the coolest tie-dye shirts ever seen! We built a stick fort in the lower woods and played a soccer game. We learned several camp songs including "I Lost My Underwear", "Tom the Toad", "The Little Green Frog", and "Mrs. Murphy's Chowder". We learned how to make Cat's Eyes and some of us tried shooting archery arrows at moving targets. We saw a pig race and even saw a pony paint a picture! We played volleyball at the pool, flew down the water slide, and rode the tire swing several times. It's been a great week!

~ GREEN GROUP: Rob

-This week, our Green Fresh Avocadoes had lots of fun doing all kinds of campy stuff. We swam, we raced a pig, we built fire, and shot arrows at archery. Fun times were had by all!
