This week's News:

2020 SUMMER REMIX EDITION

- Person Highlight:** Lisa Baker is our new Head of School and Camp. She began with us July 1st and is already hard at work preparing for the new school year. She joined us from Worcester, Massachusetts, where she most recently served as the Head of Upper School at The Bancroft School. She had previously served as a teacher, coach, and School Counselor at several other independent schools. However, her first job on her path towards education leadership was as a Camp Director in Virginia and as such, the opportunity to serve as Head of both school and camp was something that stood out her when applying to High Meadows. Although she is very busy, being able to see the magic we are providing this summer has warmed her heart, and she is looking forward to all the future magic that we can provide.

~ RED GROUP: Anna

- This wonderful week on the High Meadow, the Red Sparkly Foxes had the best time making new friends and memories that will last a lifetime. We had the privilege of learning Archery from Mrs. Kimball and having a ball of a good time down at the pool. We also had the fastest time during the pig races with Hamilton at an astonishing 7.39 seconds. We are grateful for all the time spent together this week! 🦊🦊🦊🦊🦊

~ ORANGE GROUP: Travis

- Orange group had a good ole time at the archery range hitting the targets. We climbed as high as the chicken tree would let us. We danced till we couldn't dance anymore. We laughed, we cried (from joy), and we tie-dyed.

~YELLOW GROUP: Jennifer

- The Yellow Lemon Heads had a thrilling week of camp! We played GA-GA and camper/counselor seek in the woods and built stick forts. We hiked on the upper forest trails and visited the Grandfather Tree. We made beautiful tie-dye shirts and also put together very creative woodworking projects. We got the opportunity to ride the ponies this week and also watched Coda, the pony, make a lovely painting. We also visited the water garden and heard the bullfrogs croak and fed the golden comet fish.

~ GREEN GROUP: Daniel

- G(reen)-Force thrived this week during High Meadows Camp Remix! We did what we wanted to - made new friends, learned new things, and played our favorite games. We swam, we yelled, we shot arrows. Sometimes we even hit the target! But most importantly, we all ran faster than Hamilton, our camp pig. What more could you ask for?!

~ BLUE GROUP: Rey

- The Group Formerly known as Blue has had a terrific week. From creating woodworking art, to exploring the woods and trails around HM, the no name group got the most out of our week. We also had the opportunity to learn how to work as a team when solving challenges, and celebrated our personal and group success. It shall be a week remembered long after 2020!

~ PURPLE GROUP: Anne

-Blue.O, a.k.a. The Purple Group, a.k.a. The Screaming Grasses, a.k.a. We actually do smell like Teen Spirit, has had an epic week of High Meadows Camp Remix. We carved walking sticks, played greasy produce at the pool, shot a lot of arrows, ran through the forest, flew down the water slide, and dug a wallow for Hamilton the Pig. Good times were had by all! 🤔🤔🤔

Still considering school options for next year? Since 1973, High Meadows School has inspired children age 3 through 8th grade to think critically, learn creatively, act globally, and live compassionately. Contact Director of Admission Laura Nicholson to hear more about enrollment opportunities:
