## This week's News:

## 2020 SUMMER REMIX EDITION

- Person Highlight: Coral** is our Animal Care Coordinator. Working year round for both school and camp, she joined High Meadows in January after relocating from Florida where she had most recently been a Birdkeeper at Disney's Animal Kingdom Theme Park. She had previously worked at other zoos and as a volunteer at a horse rescue. Since she joined High Meadows, we have added Hamilton the pig to our community, and during the school year, she taught an Avian Embryology mini-course to our Middle Years students, which was profiled in the [Atlanta Journal Constitution](#). Additionally, she has gotten Sir Bentley the pony into painting. Her son has also gotten to join in on some 2020 Summer Remix fun as a camper. She is very much looking forward to seeing what she can bring to our Animal program.

### ~ RED GROUP: Anna

-Rrrrrred had an awesome final week of 2020 Summer Remix. We got to experience so many new things like riding ponies, shooting down at the Archery range, and building fairy houses. Our campers also got to take a hike down Shadowfox Trail and had so much fun on the Tire Swing. We hope they have a great rest of the summer and an amazing year!

**~ ORANGE GROUP: Travis**

- The Super Orange Tigers had a rocking week! We put on skits in the Barn Theater, built awesome forts in the woods, and climbed both rocks and trees. Our campers also made incredible tie-dye, with many of them showing off the finished product today.

**~YELLOW GROUP: Jennifer**

- The Yellow Cross-Eyed Cheetahs had a very exciting week! We wore camouflage and hid from each other in the woods during our manhunt game. We made gorgeous cat's eyes and posters to decorate our room and to give as gifts. At the Barnyard, we watched Sir Bentley the pony make a painting and also saw Hamilton the pig wallow in his puddle and race to the barn for his snack. We "talked to the bullfrogs" at the water garden and got to climb the Chicken Tree. We also played some very exciting games of Ga-Ga. It's been a fun filled week!

**~ GREEN GROUP: Daniel**

- Green Group (a.k.a. Grass) had a wonderful final week of 2020 Summer Remix. We played manhunt and built forts and in the woods. We also played a lot of Ga-Ga and Four Square. We swam and flew down the water slide on Thursday. And perhaps most importantly, we made new friends had a great time on the medders. We're already looking forward to next summer!

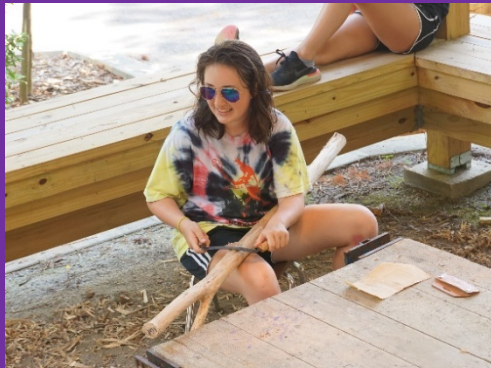

~ BLUE GROUP: Rey

- Blue Group (a.k.a The Team Known as Stuart) had a most spectacular week. From exploring the woods and becoming attuned to our natural instincts, to performing a short camper-created skit, this was an enjoyable week. Team Stuart helped with pulling weeds in the campus gardens, spent time with our animal friends, and learned great teamwork. Greasy produce at the pool was especially fun!

~ PURPLE GROUP: Anne

- In other news....the Purple Group had another outstanding week of outdoor adventure. We ran through the woods, sang 90s songs, brought greasy produce at the pool to a whole new level, built campfires, carved walking sticks, got new personal bests down the water slide, escaped the cabin, and lived our best camp lives. Most of all, we enjoyed hanging out together and playing all week!

Still considering school options for next year? Since 1973, High Meadows School has inspired children age 3 through 8th grade to think critically, learn creatively, act globally, and live compassionately.
