## This Week's News 770-993-7975

- Today was OREGON TRAIL DAY and the last day of camp for Summer 2016.

- Place Highlight: Our TIPI is one of the most iconic symbols of High Meadows Camp. It serves as a focus for Native Lore classes and is the actual center of the High Meadow. Throughout this summer, the specialists have been working with the campers and counselors from every unit to design and paint our new tipi, which is the tenth one in our history. The design incorporates many landmarks and campus animals in pictograph form as well as the High Meadows origin story in sign. The new tipi was completed and raised this week with a ceremony today to celebrate it.

## CIT Corner ~John and Hannah

- As we wrap up our final week of what has been the best summer ever, we have truly honed in on the word reflection. Our four second year CITs, Hannah, Taylor, Emma and Samantha presented remarkably thought out and heart felt reflections to leadership staff. Their hard work, enthusiasm and passion was apparent today as they reflected on their overall camp experiences and their journey through the CIT program. We would like to recognize all of the CITs this session. The mass amounts of initiative, creativity and genuine love for camp have been overwhelming. We have been flooded with compliments from staff members, parents, and even campers and could not be more honored to work with such a talented and enthusiastic group of individuals. This summer has been filled with laughter, tears, and many fond memories that will last a lifetime. We look forward to finishing out this session with Oregon Trail Day and original Values presentations! We are already looking forward to next summer!!
- Our Unit Choice for this past Wednesday 7/27 was Greek Day!
